Dear Parents/Guardians,

Programming for Summer 2017 will be beginning soon at our centre and we are looking forward to yet another fun-filled season with you!

In an effort to help keep you organized, we have prepared a master list of all field trips and visitors we have planned for this summer as well as activity calendars for the months of **July** and **August**. These calendars note special activities for the day and any special items the children should wear or bring to the Child Care Centre.

Please be sure to follow the activity calendar carefully.

SPLASH DAYS: Every week each group will have the opportunity to use the sprinkler, slip n' slide and water play located in the playground and front lawn of the Child Care Centre. Splash days will be listed on the activity calendar, they do not follow a pattern and will be randomly selected. If you have an extra swimsuit for your child you may bring it in and leave it in their cubby along with a towel in case we have spontaneous splash days which we may do if the weather is very hot. Please remember to pack your child's towel, water shoes and bathing suit on splash days. Your child **must** have water shoes or special shoes designated for water days (even a pair of flip flops will work for older children).

EXTRA CLOTHING: Numerous water activities are planned throughout the summer. It is strongly recommended that every child have a complete change of clothes available at all times in their cubby. Wet clothes will be placed in a plastic bag in your child's cubby so that they can be taken home at the end of the day.

SUN HATS: Please make sure to bring a hat that your child can use everyday. A hat that protects your child's face, ears and neck from the sun is preferred. It is best to leave an extra hat at the Child Care Centre in your child's cubby.

Sunscreen is a must! Your child **must** have a bottle of sunscreen in their cubby that they can use at all times. Please help us protect the children from the sun and heat!

***Remember to put sun screen on your child just before bringing them to the Child Care Centre. It will be applied again in the afternoon before going out.**

FIELD TRIPS: We have tried to plan at least one field trip or visitor per week for the Pre-school and Kindergarten/School-Age children, there are also a couple of trips planned for our Toddlers. Children must have a completed permission form, payment and a Bridges' yellow T-shirt in order to accompany us on trips. Rather than handing out permission forms and collecting money each week, we have enclosed the permission forms for all of the Summer's trips and special visitors. If your child will not be attending a trip, you must arrange other child care for them on that day as there will not be anyone left at the centre to watch them.

***Please note the date and cost of trips for the weeks/days your child will be at the Child Care Centre this Summer and return the appropriate permission forms with payment by Friday, June 30th 2017. Do not include this money with your regular Child Care fees.**

Yellow T-shirts with the Child Care's name must be worn for all trips.

T-shirts and hats are available in the office for \$15.00 each.

There is no Show and Tell for the summer.

Trip and Visitor Permission Form

Dear Parents,

Please fill in the form below, sign and return to daycare by **Friday, June 30th 2017.**

Check off yes or no for the trips/visitors you would like your child(ren) to participate in and attach payment.

Please do not include this amount in your regular daycare fees.

A Bridges T-shirt is mandatory for all off-site trips. If your child does not have one, please purchase one by including \$15.00 with your trip fee. We have also scheduled a few spontaneous visitors throughout the summer, there is no extra charge for these visitors. We have added a Pizza & Freezy Friday every other week!

Lunch will be provided on all trips as well.

The bus will be leaving the centre at 9:15AM on Trip Days. Please arrive no later than 9:00AM
