Bridges Kinder Connection Daycare

Dear Parents,

What a busy holiday season it has been, we would like to thank everyone for their ongoing help throughout the holidays and for the overwhelming amount of Toy Drive donations and presents we received! The Holiday Concert was a success, thank you for coming out and celebrating our past year and your time at Bridges. Copies of our Holiday Concert slideshow are now available in the office. In addition, here are a few reminders and updates.

VALENTINES DATE NIGHT

Date Night is fast approaching! Similar to shopping night, parents will have the night off to spend with their significant other or simply just to take a break. Our activity filled evening runs from **6:00-9:00PM**. Dinner will be provided followed by a movie and games. Please bring in pajamas so that we may have the children dressed for bed by pickup time. If you'd like to attend please sign up with Anna or Cheryl.

***Payment for Date Night must be done in advance only.**

THE WEATHER OUTSIDE IS FRIGHTFUL

Please ensure that your child has a warm coat, hat, neck warmer and gloves in their cubby at all times. These items may get wet during the day so it may be helpful to keep extras in your child's cubby. Don't forget to bring plenty of extra clothing, underwear and socks.

ILLNESS

If your child is ill or simply just spending the day with Mom and Dad, please don't forget to notify us by email or phone. Children who have a fever must be fever free for 24 hours or on medication for 24 hours before they can return to daycare as stated in our Parent Handbook.

BYE-BYE GERMS

Sniffle Season has begun. We are doing our very best to stop the spread of germs around the daycare through hand-washing, sanitizing of toys and other common surfaces. With that being said we would kindly like to remind parents that sippy cups **must** be taken home at the end of the day and washed before being brought back the next day. Sleep blankets **must** be brought home every Friday night and washed before being brought back on Monday. It is in our policy and it prevents the spread of germs and illnesses.

UPDATING PERSONAL INFORMATION

If any information has changed in regards to your contact information, place of work, phone number, etc. Please let us know as soon as possible so that we can update your child's file.

MANY THANKS

Once again we would like to thank all of our parents for their support during this past year. Your support and dedication to Bridges is greatly appreciated, we could not have had such a fantastic and fun year without you!
